### **Thank You!**

#### **Our Social Distancing Market Was a Huge Success**

It took so much work and community support to get the OHG Farmers & Artisans Market back up, but we were able to reopen successfully last Saturday! We want to thank everyone who came out and followed our new guidelines to make sure the farmers market could be a safe and enjoyable experience for everyone. If you're planning on visiting the farmers market this weekend, please read our new policies regarding face coverings, parking, distancing, and more on the OHG website. In addition, wear a hat and bring some water as we are expecting warm weather.

## **#WeAreOrange Yard Sign Project**

### **2,000 Pounds of Food Donated to Waste Not OC**

OHG + [CFO](#) are overwhelmed with gratitude for the success of the orange yard sign project! Last Saturday, \$5,000 from this fundraiser was distributed between 13 OHG family farmers. This money purchased over 2,000 pounds of healthy fruits, vegetables, nuts and grains to donate to [Waste Not OC](#). Thank you to everyone who has supported this project! Special thank you to our farmers who donated on top of this purchase. A second installment of \$5,000 will be dispersed again this Saturday.
